

CORE TEAM

STEPPING STONES

We hope you had a chance to see the model and layout of our Phase II construction at the picnic. If you were not able to attend, the layout and elevation drawings are on the bulletin board by the entrance to Corry Hall, and the model will be on display for weekend Masses.

This new facility will provide space for everyone.

- ❖ **Parish:** fellowship, large-group meetings, receptions, concerts, fundraisers, upper grade PRE classes, and meeting space for groups while school is in session
- ❖ **School:** P.E., future athletic programs, assemblies, fine arts programs, fund raisers, and the opportunity to expand to 8th grade

Our theme for this Phase II project is:

“Glorifying God in your body, and in your spirit” 1 Cor. 6:20

Father Brad is proud to announce that the Parish has decided to honor the long standing contributions of Caroline and Norm DeBriyn by dedicating the St. Joseph Activity Center in their names.

THE NORM & CAROLINE DEBRIYN ACTIVITY CENTER

You are probably aware that both Norm and Caroline have dedicated their lives to the development of our youth and the community through their hard work here at St. Joseph, within the NW Arkansas Community, and at the University of Arkansas. We are proud that both have allowed us to honor them for their lifelong contributions.

Please continue to watch for continuing updates from the CORE Team here in the bulletin and on the bulletin board at the entrance to Corry Hall. We are getting closer to kick-off, so watch for news of upcoming events. CORE Team information can be found on the parish website, www.sjfay.com.
