

THE CORE TEAM STEPPING STONES

If we are the Body...

“As a body is one though it has many parts, and all the parts of the body, though many, are one body, so also Christ.” (1 Cor 12:12)

There couldn't be a more perfect example of Christ's relationship to His Church and His desire for unity in that Church than the analogy of the parts of the body to the body found in 1 Cor 12: 12-26. Just as an injury or illness in one small part of the body affects the whole body, so does dissension, anger, apathy or division in the Church affect the whole Church and how the world around it sees it.

Soon we will begin a parishwide pledge drive to fund our Meeting Rooms/Classrooms and Activity Center project. Everyone will be asked to contribute and only when there is 100% participation – through prayers, service or a monetary pledge – can we say we are truly unified. That kind of oneness will begin to influence our concern for one another. And our example of love for our brother will be seen by the world around us. This is the kind of unity that Jesus taught.
