

## THE CORE TEAM STEPPING STONES

Pledges are coming in! 100% of the CORE Team along with Father Brad and others have turned in their pledge commitments for the Phase II addition. Please watch for capital campaign updates in the bulletin and on the thermometer in the Great Hall as we chart our progress towards our goal:

- \$3.5 million from our Parish
- \$3 million from other sources

We have done it before, and we can do it again with everyone's help. If you've not submitted your pledge yet, please turn in it ASAP. Pledge commitments may be sent in by mail, placed in the collection basket or brought to the Parish offices.

If you haven't seen all the wonderful possibilities that this addition will open up for our parish and school, please plan to attend the presentation and dinner on **Wednesday, October 15**, at 6:30 here at St. Joseph in Corry Hall or take a virtual tour on our Parish website –see the link below. You may RSVP by signing one of the forms in the Great Hall, by e-mail to Darlene Martucci at [drmartucci@earthlink.net](mailto:drmartucci@earthlink.net), or by phone at (479) 521-3739.

Don't forget to pray for our Parish and watch the bulletin or visit our website at [sjfay.com](http://sjfay.com). Click on the CORE team link for updates.
