STEPPING STONES

Imagine What It Will Be Like

- **When** the old art room (the Guardian Angel Room?) is booked every day of the week with a different group, from Legion of Mary to Prayerful Playgroup to the Social Justice committee, none of them disturbing the school children. 
- **When** your daughter has her wedding in the Chapel Center and then a reception for 400 in the Norm & Caroline DeBriyn Activity Center. 
- **When** St. Joseph School hosts the Pepsi Jr. High Basketball Tournament in the new Activity Center and the 7th and 8th grades are the champions!
- **When** the Knights of Columbus and Women's Fellowship can have weekly Fish Fries during Lent and store all their equipment in one place.
- **When** St. Joseph School enrollment increases because classes now include extensive music and art classes, computer lab, and special needs classes.
- **When** old and young alike are able to attend meetings, fellowship, Scripture studies and more because there is space and easy accessibility, including handicapped ramps and an elevator.
- **When** St. Joseph Church and School is recognized throughout Fayetteville and Northwest Arkansas for its beauty and active participation in community affairs.

**You can make it happen
with your generous participation
in the 2008 Capital Campaign.**
